

What an exciting week!

This week we have taken part in 'health week' at school which has involved lots of exciting visits and activities. We have met the Police Officers and Firefighters. We worked with Rose who taught us all about road safety and Jo the dentist who taught us how to look after our teeth.

Ready, Steady Cook- carrying on with our healthy week we used different fruits to make our own fruit smoothies which were delicious!

Story of the week

Rhyme of the week

'Stop, Look, Listen, Think,
Stop, Look, Listen, Think,
If you want to keep safe,
All you need to do is,
Stop, Look, Listen and think!'

This week we have also been thinking about the Giants that are going to be visiting Liverpool this weekend and as their theme is 'Dreams' we decided to make our own dream catchers weaving with wool.

Homework

To keep our healthy eating theme going we would like you to colour in our fruit bowl and see if you can name each fruit.

Magical Moment
