

Reception Newsletter Friday 11th September

Dear Parents/Guardians

We have really enjoyed our first full week in Reception. We have met our teachers and teaching assistants and we have been playing with some of our old friends and making new friends.

This week we have loved staying for our dinner, it tasted delicious! We also had lots of fun exploring our new classroom and outdoor area and we really love playing in the mud kitchen! Our topic is 'Amazing Me' and we are learning all about ourselves. We had lots of fun painting our self portraits this week.

On Friday we enjoyed our first gymnastics session with our new coach Daniel this was lots of fun!

We are starting magical moments, as we would really like to celebrate the children's achievements from home. Each week on the newsletter there will be a slip that can be filled in and sent back to school for us to share. This can be simple things such as staying in their own bed all night or trying new food. We can't wait to read them!

Have a lovely weekend!

The Reception Team

P.S: Fantastic attendance this week—Let's keep this up!

Topic—Amazing Me

As part of our topic 'Amazing Me' we are going to be looking at the changes we have made since being a baby. Please could you send in a photograph of your child as a baby with their name on the back. We will photocopy the photograph and return it to you.
