

## Nursery Newsletter

This week we have been working our way through a lovely story in which a little girl's magic glasses change the colour of the world around her each day. To follow on from our story we have been making different coloured glasses, the children have been photographing things of different colours, we have created some lovely bubble pictures and experimented with shaving foam and corn flour! What a busy week!

Ready, Steady, Cook- This week we made some painted...yes painted toast ('Paint'-milk and edible food colouring) which we then buttered and cut ourselves, delicious!

### Story of the week

### Rhyme of the week

Red, yellow, green and blue, green and blue,  
Red, yellow, green and blue, green and blue,  
Purple, orange, brown and black,  
Red, yellow, green and blue, green and blue.  
(Sang to the tune of: Heads, Shoulders, Knees and Toes.)

Just to remind you that we will be finishing school on Friday 19<sup>th</sup> October at 3pm or 11.45am for morning nursery.

### Homework

Complete our 'colour hunt' sheet with your child- ask them to find something of each colour and write down what they have found.

Magical Moment
