

Friday 1st July

Ahoy, me hearties!

We have been busy learning about treasure maps this week. We learnt a new song called 'We're going on a treasure hunt!'. Ask your child which green, snappy animal we saw at the end of our treasure hunt song?!

We practised our mark making and emergent writing by making our own maps and could describe the marks that we had made. We stained our treasure map with tea to make them look old. It was lots of fun!
