

Reception Newsletter Friday 1st May

Dear Parents/Guardians

We have enjoyed a very busy week in Reception. This week we have really enjoyed looking at our tadpoles who have started to grow some little legs. They are getting so big and we can't wait until they turn into frogs!

We have explored the circus this week and used our senses to explore what we can see, smell, hear, taste and feel at the circus. We had lots of fun writing sentences using our senses at the circus. Next week we are going to taste some popcorn—please let my teacher know if I have any allergies.

We have had lots of fun creating our own clown characters for the circus and thinking of our own clown names. We have put our clowns up on display to celebrate our amazing creative work.

In our maths we have been getting better at adding. We have been counting on to find the answer this week. Next week we are going to be getting better at taking away. We can practice counting back from different numbers at home to practice!

We loved going to afterschool clubs this week and we are looking forward to going again.

Thank you for all the magical moments, we loved hearing about them and the children were so proud sharing them. Keep them coming in!

Have a lovely weekend!

Class RM Assembly

On Thursday 21st May at 9.00am Class RM will be having an assembly for their parents. The children will be getting some lines to learn next week. Please can these be practiced at home.

Superstar Writer!

This week's winners: Samantha Horne (RM) and Georgia Wayman (RD)
Well done!
