

This week...

We have had some windy days this week in the garden. The windy day activity box was enjoyed, with us using ribbons and wands watching them blowing all around. Children made their own kites in the creative area.

During busy time we have brought all the colours of the weeks together for our activities. We have learnt what colours are in a rainbow, sorted coloured pom poms and talked about our favourite colours.

We hope you have a lovely half term. School starts again 30th October 8.45am/12.15pm. Our topic next half term is family and celebrations.

Story of the Week

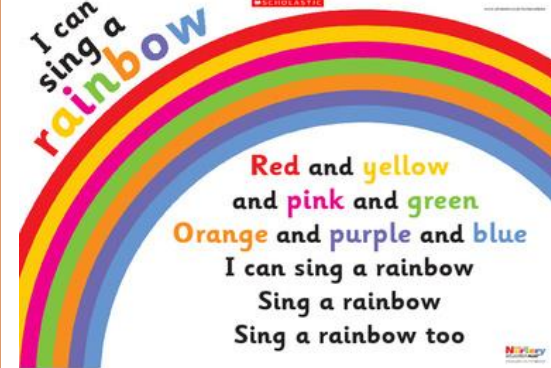

Half term homework

Please see the attached letter and bag for your half term Autumn challenge!

Rhyme of the Week

I can
sing a
rainbow

Diwali

We learnt about the festival of light, Diwali. We enjoyed watching a short video on how families prepare and celebrate Diwali. We listened to a traditional story about a Prince and Princess, Rama and Sita

Magical Moment
