

This week...

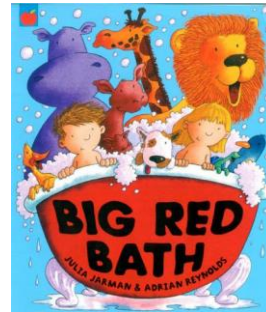

The children have had a very busy week continuing to make new friends and take part in lots of fun activities.

The colour for this week's learning was red. The children loved listening to the story of the week, made their own red bath collages in creative time and decorated a biscuit using red icing.

During busy time the children helped make playdough and change the colour of the water in the tray to red.

We also found lots of objects in and out of the Nursery to put on our colour table that will we will change weekly.
