

Reception Newsletter

Friday 22nd January

Dear Parents/Guardians

Wow, what a busy week we have had in Reception!

On Monday, we had a visit from Paul and Michelle who work for Merseyside Police. We talked to them about their job and how they help people, we got to try on some real police uniform and we got to sit inside a real police van too! We have had so much fun turning our scooters into police vans and playing police outside.

On Wednesday we enjoyed exploring ice and we investigated to see which ice melted the quickest—the ice inside or the ice outside. We were amazed to see that the ice outside still had some ice left at the end of the day. We found out that water turns to ice when it is really really cold.

On Thursday we enjoyed maths day! We loved our workshop with Dave who taught us about measure and shape, we even learnt a new shape too—a rhombus! We enjoyed lots of activities in class and solved maths problems. We had lots of fun making our own police badge and counting how many pennies it would cost to add our names to our badges—each letter cost 1p! Ask me how much my name costs at home!

Thank you for all the magical moments, we loved hearing about them and the children were so proud sharing them. Keep them coming in!

Have a lovely weekend!

The Reception Team

PS: If your child doesn't have a PE kit in school can they bring one in for Monday.

Thank You

Thank you to the parents who have come into school to talk to use about their jobs. The children loved hearing about the roles of different people. If anyone is willing to talk about their job and how they help people we would love to hear from you. Please see the class teacher. Thanks.
