

24th June 2016

Ahoy there! We have continued our Pirate themed activities this week. The children took a real interest in our role play area-walking the plank, drawing their own treasure maps and are becoming more independent dressing up themselves and helping each other. We have been enjoying our story time reading different topic books, one of our favourites has been *My Granny is a Pirate*.

The children who are starting school next year should now know who their Reception teacher is. They will be visiting their new classrooms weekly and Miss Daniels and Mrs Davin will be visiting Nursery for some story time sessions.

Well done to the children who have been completing their magical moment homework challenge. Please see this week's homework challenge below, special stickers will be waiting for those who return their homework.

REMINDERS

Nursery will be closed Wednesday 29th June for our new children to visit.

Thursday 30th June- Miss Daniel's Class visits-please see your letter for times.

Magical Moment Homework Challenge

In phonic activities we have been learning to recognise some letters and sounds, for example S for snake and P for Pirate. Can you think of some more words that begin with the letter P?

Write them below.

- 1.
- 2.
- 3.
