

24<sup>th</sup> September 2015

What a fabulous week we've had! We are so impressed with how settled the children are already and how much they seem to be enjoying Nursery. We welcomed 2 more children to morning and afternoon Nursery, who are doing brilliantly.

The children have spent time in small groups playing games and painting some lovely pictures for us to display in our room. We noticed some children showing their mummies or daddies their work and feeling very proud of themselves.

Last week we were looking for things that were red and placing them on our colour table. This week we found objects that were blue, made playdough with Mrs Johnston and added blue colouring, and also listened very well to some lovely stories... The Blue Balloon and The Big Blue Train.

Happy Birthday to those children who turned 4 this week, we also celebrated Miss Manley's birthday and we enjoyed singing a lot of 'Happy Birthday's!

We loved reading about the children's magical moments, please keep them coming in.

See you all next week and enjoy the weekend.

Miss Manley, Mrs Jones and Mrs Johnston
