

25th February 2016

Welcome back, we hope you all had a lovely week off school!

This week we launched our new topic for this half term 'Bears' and we loved listening to the story Goldilocks and the 3 Bears. We have been very excited and involved in lots of new activities. The bear's cottage role play has been very busy with the children retelling the story and dressing up as characters from the story.

In our class topic book we have been drawing and painting our favourite characters and parts of the story and also made some porridge with Mrs Johnston at snack time. To see the children busy in Nursery activities please visit our school website.

Magical moment slips are attached to our letter this week. Please keep returning the children's news and achievements we love reading about them
