

27th November 2015

On Monday we were very excited to take a walk along Green Lane and post our special letters to Father Christmas. We made Christmas wishes before posting them into the post box and our class elf came along too! Miss Manley, Mrs Jones and Mrs Johnston were very happy with how sensible we all were.

This week we have continued activities based on Percy the Park Keeper and talked about our favourite stories and characters from the books. We particularly enjoyed The Fox's Hiccups and Badgers Bath. The children have helped set up 'Percy's hut' in our garden and have dressed up as Percy and the animals.

Next week we will be very busy with Christmas preparations which will include creative activities, decorating the Nursery, putting Santa's workshop together and most importantly starting to learn our songs for the sing along on Wednesday 16th December.

Enjoy your weekend
