

5th February 2016

This week our water theme has been boats and learning about things that float or sink. We read a story about brilliant boats and made our own to race against each other this was lots of fun!

In our Arctic camp we have been searching for arctic animals using binoculars and torches. Natalie has taught us the names of some of the animals in French.

Thank you to all the parents/grandparents who came to our sing up celebration. We hope you enjoyed the songs we sang for you and the children were very proud of themselves.

Next week we will be learning about Chinese New Year. Nursery will open a class restaurant with the children tasting different types of Chinese food- spring rolls, prawn crackers and rice.

If you do not want your child to taste the food or has any allergies please inform Miss Manley or Mrs Jones.

Enjoy the weekend

The Nursery Team.

Diary dates

Wednesday 10th February

Don't forget to come and see your child's special learning journey!

Open morning 11.15 am

Open afternoon 2.15 pm

Magical Moment
