

## Reception Newsletter

### 7<sup>th</sup> October 2016

#### This Week.....

This week we have celebrated the Jewish New Year called Rosh Hashanah. We tasted apple dipped in honey which used to signify a sweet new year.

On Thursday we also held a whole school Science Day. The children has an amazing assembly which investigated sound and hearing. Each class also a workshop. The children in reception learnt about their senses. The children loved tasting the surprise chocolate when they investigated the sense of taste.

#### Song of the Week

We have been learning a song called Oats and Beans and Barley Grow. If you would like a copy of the words then please see a member of staff.

#### Please Remember.....

Each Friday the children can have biscuits. They need to bring in a small donation which will go towards the school fund. If you have any old pairs of wellingtons then please bring them into school. Book bags and water bottles daily.

#### Next Week....

We will be celebrating the Harvest Festival on Thursday 13<sup>th</sup> October, at 9.15 in the Junior Hall.

The children have been learning a story called The Little Red Hen. In the story the hen bakes bread and the children will also be baking their own bread next week. Any allergies then please let the staff know.

Keep the magical moments coming in, we love to hear all about them and the children are really proud sharing them.

Magical Moment
