

8th July

Another great week in Nursery and we have been busy with our activities.

We have been enjoying taking our activities and learning outdoors building ships and planks with large blocks and making up stories in our new pirate shack.

Mrs Johnston helped us create a different experience in our water tray by making blue gelli goo! We enjoyed using our hands to explore the texture of the goo and described what it felt like. We were amazed as it turned back into water when Mrs Johnston sprinkled powder into the tray.

The children have been practising for sports day and are really looking forward to taking part next week. We look forward to seeing Parents and Grandparents at the the event. Here is a reminder of times- **AM- 11.15 start and PM- 2.15pm start.**

The older children have continued to play in their new classrooms and really enjoy telling staff all about their visit when they return.

Have a great weekend

The Nursery Team.
