

# Reception Newsletter Friday 8th May

Dear Parents/Guardians

We have enjoyed a very busy week in Reception. This week we have continued to watch our tadpoles grow even bigger—we are very excited to see them turn into frogs!

This week we read the story 'The Singing Mermaid' by Julia Donaldson and we did lots of work on rhyming and alliteration. We had lots of fun making up clown characters such as 'Coco Clown,' 'Andy Acrobat' and 'John Juggler'. We used our characters to write a Circus story called 'At the Circus'. We have had lots of fun creating our own clown hats and ties in the creative area and we have been practicing our circus skills outdoors too!

In our maths we have been getting better at subtracting. We have been subtracting by taking away objects and counting back. We have been practicing counting back from lots of different numbers.

Next week we are looking forward to Science day!

Thank you for all the magical moments, we loved hearing about them and the children were very proud when sharing them. Keep them coming in!

Have a lovely weekend!

The Reception Team

## Science Day

On Thursday 14th May the children will be having a science day. Reception will be focussing on the topic 'Mad Mixtures'. We will be making jelly pots with fruit in. If your child has any fruit or jelly allergies please let their class teacher know.

## Class RM Assembly

The children have all received a part and some lines/words. Please can you practice these at home.

## Superstar Writer!

This week's winners: Louie Flowers (RM) and Will McMorn (RD)  
Well done!
