Attendance Policy

ATTENDANCE Respect for all, learners for life	A Safe & Happy School
OVERVIEW	
<p>Lister Infant School seeks to ensure that all its pupils receive a full-time education which maximises opportunities for each pupil to realise his/her true potential within a secure and happy learning environment.</p> <p>We recognise that attending school regularly has a positive impact on learning, progress and therefore the best life chances for children. We encourage good attendance for all pupils, by offering a welcoming, caring environment in which pupils feel wanted and secure and feel valued members of our school community.</p> <p>DCSF guidance states that all schools should have effective systems and procedures for encouraging regular school attendance and investigating the underlying causes of poor attendance which should be set out in an attendance policy. These systems should be reviewed regularly and modified where necessary to reflect the circumstances of the school.</p> <p>To meet these objectives this school has established an effective and efficient system of communication with pupils, parents and appropriate agencies to provide mutual information, advice and support.</p>	
AIMS	
<ul style="list-style-type: none"> • To improve pupils' attendance • To reduce unauthorised absence • To improve punctuality and thereby raise pupil achievement. • To clarify procedures and expectations for staff, parents and pupils regarding attendance and measures for dealing with absence and thereby improve pupils' attainment and the home-school partnership. 	
STRATEGIES	
<p>In order to achieve our aims our school:</p> <p>REGISTRATION PROCEDURES</p> <ul style="list-style-type: none"> • Registers are taken twice daily. • Register are dated and clearly marked so that correct information may be entered by the office staff. • Morning registers are completed by 9.00am • If a child arrives late, an L is inserted and the time of arrival noted with a reason for lateness if possible. • Pupils arriving late to school must enter via the School Office where this information will be recorded. <p>ABSENCE PROCEDURES</p> <p>First day contact is central to the school's attendance policy in order to emphasise the importance of school attendance and to deal with attendance problems at an early stage.</p> <ul style="list-style-type: none"> • If there is no contact or explanation on the first day of absence, the school will attempt to contact the parent by telephone. • An absence will be considered as authorised if parents/carers provide an acceptable explanation by telephone, note, email, letter or verbal message. • The reason for absence must be as specific as possible (ie headache, eye infection rather than sick or unwell). • Unsuccessful attempts to contact the home will be recorded. • If there is no response the absence will be recorded as unauthorised. <p>AUTHORISING ABSENCES</p> <p>Only the school can authorise an absence. It is up to the school to decide if the explanation offered is a valid reason for absence or not. Obtaining clear and precise reasons for absence is an important part of identifying Child Protection concerns.</p> <ul style="list-style-type: none"> • Doctor/ dentist appointments are not absences unless the child misses the whole session. • A child who has a medical/dental appointment may be credited for the whole session provided s/he attends school at the first opportunity. The situation is the same for a child who leaves after registration for a good reason such as illness. • The special circumstances code will be considered for issues such as death in the family, moving house etc. Any doubts about requests for absence must be referred to the Headteacher. <p>FAMILY HOLIDAYS DURING TERM TIME</p> <p>A pupil's absence during term time can seriously disrupt his/her leaning. Not only do children miss the teaching provided on the days they are away, but they are also less prepared for the lessons building on that after their return. This may lead to the pupil's underachievement.</p> <p>Parents do not have the right to take their children out of school for a family holiday. Parents are strongly urged to avoid booking a holiday during term time. School will not authorise holidays in term time. What constitutes exceptional circumstances will be determined by the Head teacher. Percentage attendance and minutes late are recorded in the end of year individual school report.</p>	

MONITORING

Registers are monitored every week:

- To pick up patterns of absence
- To pick up patterns of lateness
- To ensure procedures are followed
- To monitor the major causes of unauthorised absence
- To monitor the percentages of authorised and unauthorised attendance

Parents are informed by letter at the end of each term over concerns re lateness and absence. Letters are also sent in cases of significant improvement.

Where there is persistent non- attendance without reasonable explanation, the parent /carer will be invited to discuss the school's concerns over that individual child.

Where there is persistent absence that is authorised through sickness and that absence is affecting the child's progress, the school will invite the parents/carers to school to discuss what support can be offered. The school will investigate the pupil's circumstances within school to identify any school based issues which may be affecting the child's attendance.

LA

The school buys in the services of the Local Authority Attendance and Welfare Officer to work with families with children with an attendance record of 90% or less. Also children with 3 or more "broken" weeks out of 5 are followed up.

GOVERNORS

The Governors monitor attendance via the termly Headteacher's report and communicate the message about good attendance at every opportunity.
