

Autumn Observations

Year one explored their school grounds looking for signs of autumn.

Autumn leaves are falling
down,

falling down,

falling down,

Autumn leaves are falling
down in November.

What other months are there in
Autumn?

Autumn is also Harvest time!

Lister Infants celebrated Harvest with a whole school assembly.

A

big

thank you to all who helped others with the food bank.

We found two different types of trees.

One is green all year and it is called an **Evergreen**.

All the leaves have fallen off the other tree...this is called a **deciduous** tree.

The children used their sense of sight, touch, smell and hearing to investigate autumn clues.

What did you see?

What could you feel?

What could you smell?

What could you hear?
