

14th January 2016

ACTIVE LEARN BUG CLUB WORKSHOP Y1/Y2

Dear Parent/Carer

In response to parent feedback from the last literacy workshop, there will be a parent workshop to support the use of **Active Learn Bug Club**, which is an online resource for reading which children and parents can access from home. This workshop will be for parents and children (if you wish) to walk through the website and have the opportunity to use the online texts.

The workshops will be led by Miss Haynes and will be held on:

Y2 - Tues 26th January 2-3pm
Y1 - Wed 27th January 2-3pm

If you would like to attend please sign the reply slip below and indicate which session you would be interested in.

Future workshops will be held covering aspects of grammar, spelling and punctuation. Please see Miss Haynes if there is a particular focus you would like to cover.

Yours faithfully

J. Davies
Headteacher

I will be attending Active Learn Bug Club Workshop on:.....

Child's name:.....Class:.....
