

17th December 2015

FOOD TECHNOLOGY

Dear Parent/Carer

As part of the **Design Technology** curriculum the children are required to complete Food Technology lessons.

Lessons for **1W** and **2H** will start on **Thursday 7th January 2016** and will run up until February half term. After that **1K** and **2E** will continue after half term up until Easter.

The children will be learning how to cook and prepare a range of healthy foods using utensils which will include the use of safety knives.

Please complete the slip below to indicate if your child has any known food allergies and return to school.

Yours faithfully

J. Davies
Headteacher
