

Magical Moments

Dear Parents/Carers

A magical moment slip will be attached to our weekly Nursery newsletter.

If you notice your child doing something special or new at home we would love to hear about it. This could be sleeping in their own bed, learning to ride a bike or putting on their coat.

We ask you to fill in the magical moment slip and return it to Nursery to post in the golden box. We will also share these moments with the class. This information will also be added to their special Learning Journey book.

Thank you

The Nursery Team
