Respect for All. Learners for Life

16 Mars 2018  
16th March 2018

This year, Sport Relief will be taking place between Monday 19<sup>th</sup> March and Friday 23<sup>rd</sup> March. To support this great cause, Reception and KS1 will be completing a **Mile Run** on **Tuesday 20<sup>th</sup> March**. Nursery will also be involved on this day and will be completing a **Go Go Obstacle Course**. Once again the children can come to school dressed in suitable sportswear and we are asking for a donation of **£1** to support **Sport Relief**.

We would like to take this opportunity to ask for your support for Mr Kelly, Y6 Junior teacher who is undertaking his own Sport Relief challenge. This involves him running at least 26 miles across our city visiting at least 17 schools along the way, then finishing at our school at approximately 2.30pm. Mr Kelly has an online donation page for his challenge and we hope as many of you as possible will consider donating. The link is:

## British Science Week

The children have enjoyed celebrating **British Science Week**. Both Holly Lodge Girl's College and West Derby Boy's School have come along to our school and helped us to celebrate this by sharing some amazing science workshops with the children. The theme for this week was Exploration and Discovery. We have learnt about magnetism, filtration and chromatography. Elements of this week have also promoted different types of jobs that use science. Children in Y2 have enjoyed taking part in science taught the Holly Lodge and West Derby school sites. This has been a super British Science Week with lots of fun activities.
