## British Science Week

Last week we celebrated **British Science Week**. The theme was 'Journeys'. Both Holly Lodge Girl's College and West Derby Boy's School have come along to our school and helped us to celebrate this by sharing some amazing science workshops with the children. Thank you to parents of Y1 children who came to our Science Workshop on Monday - we hope you enjoyed the experience and had fun learning together with your child. Children in Y2 have enjoyed taking part in science taught at both the Holly Lodge and West Derby school sites. Thank you to Miss Daniels - this has been a super British Science Week with lot of fun activities.

## Own Clothes Day

We are holding a non-uniform day on **Friday 29th March** to support our **Easter Bingo**. Children can come to school wearing their own clothes in return for an **Easter egg**.

## Maths Challenge

On Saturday Miss Haynes is walking 26 miles to raise money for Zoe's Place charity.

How much sponsor money will she raise if she gets:

- £1 per mile?
- 50p per mile?
- £1.50 per mile?

Can you tweet your answer?  
Can you prove it? Take a photo with your maths ambassador and send it to Mrs White
