3 classes in green for last week! Well done to RD, RM and 1K for great attendance!

We have had a great start to our new school year with nearly all our children in school every day. Our target this year is at least 96% attendance for every child.

Reminder - school starts at 8.50am. Unfortunately there are still some children coming in later than this which causes considerable disruption for the class teacher and is not the best start for any child.

Our attendance motto is:  
**In school, on time, every day!**

Last weeks attendance was:

**96.10%**
