Ice Cats Programme

All schools are now required to have emergency lockdown procedures in place. To further improve the systems we already have in place we have decided to adopt the ICECATS Programme. This is a child friendly programme where children learn how to stay safe and follow simple instructions if the need should ever arise for lockdown procedures. The children will be learning and practising lockdown procedures during week beginning May 15th. For your information I have arranged for Jo Carter who is the executive director of the Ice Cats programme to deliver an information session to parents on **Tuesday 9th May at 9.15am** in the **Infant Hall**.

Y2

During this month, end of KS1 assessments will be carried out with Y2 children.
