Welcome Back

Welcome back to all our families and children. It is lovely to see all the children once again after the long summer break. They have all grown so much and look so smart in their new uniforms. Also welcome to all our new children who have started or will be starting in the Foundation Stage. All children have settled extremely well and I hope they enjoy many happy and rewarding years in our school.

Roald Dahl

On Friday 13th September we celebrate national **Roald Dahl Day**. On this day activities have been planned for every class to teach them about Roald Dahl, his wonderful stories and the characters he created in his books

Workshops

We will shortly be sending letters home to all parents of children in Reception, Y1 and Y2. The letters will give details of reading and maths workshops we are delivering for parents throughout the term. The workshops are a great opportunity as they will give hands on practical ideas as to how you can help and support your child in reading and developing their maths skills.

Cool Milk

Letters went home before the holidays regarding our new milk system. If your child is over 5 and you would like them to have milk in school then please follow the online instructions to register and make payment. Children in Reception will receive their letters on Monday. Please see a member of the office staff if you would like further information.

When dropping off and picking up can all parents please be mindful and kindly refrain from parking across driveways and our school entrance/exits. Thank you for your continued co-operation.
