## Lister Steps/Carnegie Library

Did you know that Lister Steps are restoring the old Andrew Carnegie library on Lister Drive into a community hub for our area? With Heritage Lottery Funding, The Old Library will open in 2020 as a place for people to come together, learn & have fun, offering childcare facilities, a community café, meeting rooms, IT stations and a range of services, events & activities. Lister Steps are keen for local residents to get involved throughout the project and have various volunteering opportunities, including an upcoming local history research project. If you'd like more information, please visit the website below to see what's going on and how you can get involved.
