

Reception Newsletter

Friday 8th July

Dear Parents/Guardians

We have enjoyed another busy week in Reception. This week we have been preparing for Sports Day. The children have been looking forward to competing in this, but unfortunately it had to be postponed due to the poor weather conditions. Our Sports Day will hopefully be rescheduled for next week, with the weather permitting. The children have been practicing the different types of events during their PE lesson and they have become very competent competitors for Sports Day.

During literacy, the children have been writing about their favourite Minibeasts and describing their features. In numeracy, this week the children have been revising addition and the related vocabulary, as well as revisiting 2D shape and their properties.

The children have continued to enjoy our topic about mini-beasts and they have been in the outdoor area looking for different types of Minibeasts during their mini-beast hunt. The children have also made their own observational paintings of mini-beasts.

Have a lovely weekend!
