

Nursery Newsletter Friday 16th October

We have had a great week learning all about Autumn. Children have been exploring lots of Autumn objects at our 'Investigation Station' such as conkers, pine cones, pumpkin seeds and leaves. We used some of our leaves to make lovely leaf prints. We have enjoyed singing the '5 Little Leaves' song. Please find a copy of the song attached, which you can use to sing at home with your child.

We are looking forward to our visitor Richie the Ranger next week on Thursday 22nd October. Please ensure your child attends nursery on this day so that they don't miss out on this fantastic learning experience. Children will be taking part in an Autumn walk in the school grounds.

Attendance - Let's see if we can get into **green** for our attendance in nursery this week.

Reminder - We finish for half term next week on Friday 23rd October. We will be finishing at the normal time. Can we also remind parents who have not returned slips for parent's meetings on Wednesday to bring them in as soon as possible.

Thank you
The Nursery Team
