Story of the week

Homework

While out and about this weekend please keep an eye out for some twigs and sticks for us to add to our campfire and to use during other craft activities next week.

Magical Moment

Name _____

We have had lots of Halloween fun this week in nursery. We have explored spooky jelly, witches brew jelli-baff, pumpkins and sensory trays. We have also been working on our pincer grip and sorting skills while having fun with our creepy crawly friends.

Ready, Steady, Cook- This week we made delicious witches hats by covering our upside down ice-cream cones with melted chocolate and sprinkles! They were the perfect treat to end our Halloween fun!

Although Bonfire night is not until Monday we realise that many will be enjoying fireworks this weekend at home or at public displays so we have spoken with the children about basic firework safety and about the importance of wearing gloves whilst using sparklers to avoid burns. We hope you have a safe and fun Bonfire night!

On Thursday we had a lovely coffee morning with Caroline who works at Tuebrook & West Derby Children's Centre. Caroline told us about some of the exciting activities she has planned for our children. If you have not yet registered with the Children's Centre please let us know as without registering Caroline cannot work with your child. We will be sending forms home for you to fill in. If you are already registered please let us know.

Rhyme of the week

Bonfire's burning, Bonfire's burning,
Getting hotter, Getting hotter,
Fire, fire! Fire, fire!
Rocket's whizzing, Rocket's whizzing,
Sparkler's fizzing, Sparkler's fizzing.
(Sing to the tune of 'London's Burning'.)
