

# Reception Newsletter Friday 20th November

Dear Parents/Guardians

This week was Anti-Bullying Week. We started the week off with an assembly from the Community Police. They also brought Bobby who helped to teach us about what to do if we are ever being bullied. The children were made aware of what they need to say and do.

This week the children have also enjoyed reading a story called "Giraffes Can't Dance." This is a story about a giraffe called Gerald who wants to dance at the Jungle Ball. Gerald can't dance properly so the cricket shows him what to do. The children could recognise that the giraffe was sad because he couldn't dance. The children were happy when the giraffe impressed everyone with his wonderful dancing skills at the end. The children also learnt how to write their own invitations to a party.

This week during our number work we have been learning how to subtract. We have been singing number songs to help us and we have played some fun games too.

Also, please do not let your child bring sweets to school. If it is your child's birthday then party bags are permitted.

## Children in Need

On Friday 13<sup>th</sup> November we supported Children in Need and we raised a fabulous £300.00.

Have a wonderful weekend!
