

Reception Newsletter
8th September 2017

Topic Focus:

Marvellous Me

Are we all the same?

The children will be taking photographs of themselves and drawing self-portraits.

Discussing similarities and differences.

This Week.....

What a lovely first week in Reception! The children have settled really well and have enjoyed exploring their new classroom and playground.

They have been learning about their class flower.

Miss Davin's class is called Daffodils and Miss Hamilton/ Mrs Mullock's class are Bluebells.

The children have been learning the class rules and have been helping each other.

The Everywhere Bear

Each class has an Everywhere Bear. He is a bear who loves going on adventures. Every Friday he will go home with somebody special to spend the weekend with them. On his return he will share his adventure with the rest of the class.

Next Week...

Mon/Tues:

All children to attend 8.50am-1pm
(staying for lunch)

Wed: Children to attend full day.

If your child is having a packed lunch please remember to label it.

Magical Moment:

Each week, there will be a Magical Moment Slip on the bottom of this newsletter. We want to hear about your child's successes and achievements outside of school. Please fill it in and return it to school. We will share it with the rest of the class. Some examples: swimming badges, dance trophies, getting dressed by themselves, riding a 2 wheeler bike, writing a shopping list, recognising numbers etc.
