Lister Infant School

Sports Premium Report  
and Impact

September 2015 – July 2016

Planned Expenditure September 2016- July 2017

## **Sport Premium Statement**

The Government is determined to secure a significant and lasting legacy from the very successful 2012 Olympic and Paralympic Games that were held in London. In order to achieve this and improve the provision of PE and sport in primary schools, additional funding of £150 million per annum was made available for the academic years 2013/4, 2014/5 and 2015/16. The Government have pledged to continue this funding until 2020.

At Lister Infant School we believe that sport plays an important part as it contributes to the health and well-being of our children. Sporting excellence and participation, alongside strong cultural opportunities, go hand in hand with academic standards. A high quality physical education curriculum inspires all pupils to succeed and excel in competitive sport and other physically demanding activities. It provides opportunities for pupils to become physically confident in a way which supports their health and fitness. Opportunities to compete in sport and other activities build character and help to embed values such as fairness and respect.

### **Vision**

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport

### **Objective**

To achieve self-sustaining improvement in the quality of PE and sport in primary schools leading to long lasting impact against the vision that will live on well beyond the Primary PE and Sport Premium funding.

### **Key Indicators:**

1. The engagement of all pupils in regular physical activity - kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement

3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

### PE Curriculum

A wide range of activities are delivered in school which aim to engage and inspire all children. We are also committed to ensure that all children receive at least two hours per week of high quality well-planned PE and physical activity. Over the year each child will participate in games, athletics, dance and gymnastics lessons. Opportunities are also planned for swimming in Year 2 where children work with specialist swimming coaches. In addition to this we have a daily Wake Up Shake Up aerobic session which increases children's activity and fitness levels so that they are ready to learn. (Please refer to the year group pages of the website for more details of PE lessons taught each term.)

## **The Wider Curriculum**

PE and sport has a high profile in our school and permeates many aspects of school life. In the summer term we hold our annual Sports Day in which we encourage participation of all children and organise competitive races for pupils. In order to include all, we plan for some events to be fun based whilst others are skill based.

Every other year school participates in the Sport Relief mile run, where all our pupils learn how to train and persevere to achieve a goal. We encourage all pupils to participate by walking, jogging or running the mile. This is a big school event with training sessions built in prior to the event.

Other agencies are used to enhance the variety of activities available and we take full advantage when these opportunities become available. For example school links with Vagabonds Tennis Centre which is a local tennis club in the area. The pupils participate in tennis sessions and children are encouraged to try the club by receiving a free session voucher. Talented children are signposted to local clubs and events to encourage them to develop their skills.
