

World Book Week

The week started with pass the parcel. The children used clues to guess what the book might be.

The children laughed out loud when reading **Cinderella's Bum**.

The whole school enjoyed watching a show called Jack and the Beanstalk.

The characters came to life interacting with the children and involving them in the story line.

Readathon

The children set a target of how many books they would read in a week. They recorded results in their World Book Day reading book.

The children enjoyed a workshop where they dressed up as the story characters, acted out scenes and enjoyed 'freeze frames' games.

Parents were invited to school to share and enjoy reading a range of books from the class library.

World Book Day

The whole school enjoyed dressing up and coming to school as their favourite character.

Can you guess any of the characters?

A guest reader visited Year One.

Mr
Garnett our
school
governor!

The children chose a book from
their class library, relaxed and
enjoyed the land of literacy!
