

## Nursery Newsletter

### Rhyme of the week

#### Nursery Rhyme Week

This week we have enjoyed taking part in Nursery Rhyme Week. We have enjoyed singing a nursery rhyme a day. Please find attached the words to the nursery rhymes that we have been singing.

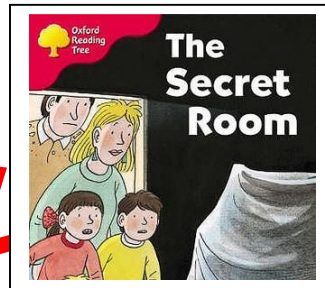

### Reminders

- Please check that the children's jumpers and cardigans have their names on.
- Please send in hats, scarf and gloves for the children to wrap up warm for our outdoor learning as the weather is beginning to get colder.

### Story of the week

The Secret Room

This week's focus...

We have had a very busy week this week. We started the week with our Anti-bullying day. We talked about what makes a good friend and drew some super pictures of our friends and made friendship bands.

We enjoyed reading about Biff, Chip and Kipper's adventure in the story The Secret Room. We designed some fantastic wallpaper for Biff. Making lots of different marks and patterns helps us to develop our pre-writing skills.

We ended the week with our 'Spotacular' day. We made lots of spotty patterns, made Pudsey Bear ears and took part in lots of fun activities.

### Nursery Rhyme Challenge

The children have loved joining in with different nursery rhymes this week. Ask the children to sing the nursery rhymes from the booklet with you. Which nursery rhyme is their favourite? Why? What do they like about it?
