

Reception Newsletter 22nd September 2017

This Week....

We have read the story Funnybones by Janet & Alan Ahlberg. The children have been learning about the different bones in our bodies and we have enjoyed making skeleton pictures.

In maths we have been practising our counting skills. The children have had lots of fun joining in with practical maths activities outside including target games, ordering numbers and playing with our large snake and ladders.

The letter sounds we have learnt this week are - p,i,n and we have been listening for the initial sounds in words.

Rosh Hashanah

On Wednesday we celebrated Rosh Hashanah, the celebration of the Jewish New Year. The children really enjoyed trying the traditional treat of apples and honey and we had lots of fun making cards using apple prints!

Song of the week:

Heads shoulders
knees and toes

Notices.....

Next week is Health Week. The children will be completing lots of fun activities.

Thank you to everybody who came to our reading workshops this week. For homework this week we will send home the first set of high frequency words.

Magical Moment
