

Reception Newsletter

Friday 24th June

Dear Parents/Guardians

This week we have continued to explore our topic mini beasts. The children have decided on questions that we want to find out, such as, why do spiders spin webs? How many legs does an earwig have? What do worms eat?

We have been looking at non fiction books and on the internet to find out information. RM found a snail outside which we named Sonic. The children made a home for it and we put it in our mini beast role

play area but when we came to school the next day it had escaped! This generated lots of excitement and independent writing, notes and letters to Sonic!

The children have also enjoyed learning a new Pie Corbett story called "Peter and the Wolf." The children in RD will be performing this story during their whole class assembly later in the term.

During our number work this week we consolidated counting, recognising and ordering numbers to 20.

This week Reception went to play on the year 1 yard. This is to help the children to become familiar with the routines when they move into Year 1.

Thank you for all the magical moments, we loved hearing about them and the children were so proud sharing them. Keep them coming in.

Please don't forget

Water bottles and reading books daily

To put sun cream on your child in this lovely weather
