

Reception Newsletter Thursday 28th April

Dear Parents/Guardians

This week the children have been very busy learning more about our story 'Jack and the Beanstalk'. We received a letter off the giant explaining that he was sad because Jack had taken his gold. The children made wanted posters for Jack and we talked about how it was wrong of Jack to take the giants belongings without asking. Reception have enjoyed creating their own beanstalks and some children have been writing their own stories!

The children have been observing our plants daily. Some have started to grow already, we can see the stems and the roots. We have been talking about what plants need to grow and watering our fruit and vegetables outside in our new garden area, come and take a look! In maths we have been focusing on doubling and have been counting backwards from 20. The children loved our magic doubling bag that doubled all of the giants coins!

Thank you for all the magical moments, we loved hearing about them and the children were so proud sharing them. Keep them coming in!

Have a lovely weekend!

The Reception Team

School Closed

School is closed Friday 29th April and Monday 2nd May, have a lovely weekend.

Miss Herrity in RM

Welcome to Miss Herrity who will be teaching in Class RM until the end of the year.
