

Nursery Newsletter Friday 6th May

The children have settled in well after the break. We have been keeping a close eye on the eggs and the children have been talking about them lots. We are eagerly awaiting for the eggs to hatch.

We are looking forward to our visitors from Acorn Farm on Wednesday 11th May. We will be meeting some animals and learning about how they are cared for and looked after at the farm. Thank you for the consent forms we have received back so far. Please make sure forms are returned as soon as possible so that children have permission to pet the animals.

The children did some fantastic colour mixing this week. They used powder paint, small pots and water to mix their own paints like real artists. They made some lovely bright colours and used them to create some wonderful paintings. We think there are budding artists in our midst!

As the weather is getting warmer please put sun cream on your child before the nursery session each day and provide children with a sun hat with their name inside.

Thank you

The Nursery Team
