

Reception Newsletter Friday 6th May

Dear Parents/Guardians

This week was the last week of exploring the story 'Jack and the beanstalk'. The children have really enjoyed the story and it has generated lots of independent writing, some children have been writing letters to Jack to ask him to bring back the giant belongings!

We have been enjoying the weather and taking full advantage of our outdoor area, Maypole dancing, watering the plants, adding to the bug hotel and working together to put up our new tent!

In maths we have been focusing on counting in 2s. The giant had left lots of his socks in our outdoor area, the children enjoyed finding them, putting them into pairs, hanging them on the washing line and counting them!

Thank you for all the magical moments, we loved hearing about them and the children were so proud sharing them. Keep them coming in!

Have a lovely weekend!

The Reception Team

Next week

We will be making pizzas as part of our maths activities. We will be using pizza bases, tomato puree, cheese and sweetcorn, please let a member of staff know if your child has any allergies.
