

Artists in residence at Palm House in Sefton Park

The children of Lister Infants enjoyed being amazing artists at Palm House, in Sefton Park, Liverpool.

Lister Infant School, celebrating links with Holly Lodge, warmly accepted their invitation to 'create and make' sculptures at an exciting exhibition centre in Liverpool.

Initially the children explored the curved building, looking up, down and all around.

I spy with my eye...lots of interesting art!

The children listened, watched and followed step by step instructions, demonstrated by the Holly Lodge team to make their own, unique... 'bat'.

Safely using scissors, applying their skills to create a product...a bat!

All the parents were cordially invited to view their child's and other children's creative pieces at Palm House, Sefton Park, Liverpool.

Did you dare delve into the bat cave?

Enjoying, achieving and life long learning at Lister!

Many thanks to the Holly Lodge team who facilitated this artistic adventure!
