

# Road Safety

Look what happened next...

**Jude Lennon with Super Bob returned to Lister Infant School to help celebrate the competition winners!**

A challenge was set to think of a super title for Super Bob book 2!

**Stop! Super Bob Tells off Parents!**  
All the children wore blue shirts to celebrate this day.

Working together with our local Police team, Mel led an assembly revising some key points about road safety.

The children also enjoyed a poster completion. Our local Police officer and the school team distributed the winning posters to parents at the school gates to revise and remind road safety rules.

Remember for Bobby...keep our children safe!
