

The colour for this week's learning was green. The children loved listening to the story of the week and looking for all things green.

The colour corner was busy, finding objects for the table, we had fun creating bubble pictures and explored painting with coloured water in the garden.

At the funky fingers area we practised cutting and threading cubes onto laces.

### Story of the Week

### Rhyme of the Week

(Tune Row, row, row, your boat)

Pass pass pass the colour  
This is the game we play!  
When the little song is through  
the colour name we'll say

### Homework Challenge!

Next week we are starting to learn about the changes in season and all things Autumn. We would love for you to find some Autumn items if you go for a walk or to a park, these could be leaves, conkers or acorns. Please bring them to Nursery to place on our Autumn investigation table. Thank you!

### Easy Peasy

Don't forget to click the link you receive via text message.  
We hope you have been having fun and enjoying the easy peasy activities at the weekend.  
We would also love to hear and read your feedback on activities- you can also write your experiences on the magical moment slip.
