

The children have had a very busy week continuing to make new friends and take part in lots of fun activities. The colour for this week's learning was red. The children loved listening to the story of the week and made red jelly.

During busy time the children helped make playdough and enjoyed making marks in the garden using red water. We also found lots of objects in and out of the Nursery to put on our colour table that will we will change weekly.

### Story of the Week

### Rhyme of the Week

I can wiggle my fingers

I can wiggle my toes

I can wiggle my ears

I can wiggle my nose

There are no more wiggles left  
Inside of me, I'm as still as still as  
still can be!

### Homework Challenge!

This weekend we challenge you to look for the colour red when you are at home or go out with your family.

Record what you see on your magical moment.

Every Thursday the children will take part in Yoga Bears with our teacher Laura. We have been learning about happiness, calmness and relaxation, the children have loved the past 2 sessions!

We take our shoes off for our yoga poses so please at home can you let your child practice taking their shoes off and putting them back on by themselves. Thank you!

On Friday we work with Mr Kayton keeping fit through fun PE activities and games. If your child has their own water bottle they are welcome to bring it to Nursery for after our PE activities. Thank you.
