

Nursery Twitter- @ListerinfN

This week Nursery has been filled with laughter and singing!

At the beginning of the week we learnt how to cross the road safely with Rose.

We took part in National Nursery Rhyme Week, learning to sing a rhyme a day.

Well done to everyone in Nursery we were very impressed with how well they sang each day.

In busy time we sequenced rhymes, rescued spiders with tweezers, counted with baa baa baa black sheep and in messy play made spaghetti nests for birds eggs. In the block area some children made brilliant boats and walls for dicky birds

Story of the Week

Easy Peasy

Don't forget to click on your Easy peasy game this weekend ...

Beeb and Honk

Did you know? Matching noises with body parts is a great way to get your child practising those vocal chords.

Rhyme of the Week

Please see your attached song book

Homework

Sing some rhymes with your child
As you sing can they fill in the missing words?

For example:

Baa baa black...? (Sheep)

Incy wincy spider climbed up the ... (spout)

Magical Moment
