

We have ended our topic with a colourful week of activities based on all the colours of the rainbow. We went on a colour hunt, thought about our own rainbow dreams and used our science skills experimenting with colour dye, soda powder and vinegar.

We also loved our spooky themed activities, searching for Halloween surprises, making crowns and magic potions and spells.

Story of the Week

Rhyme of the Week

Red and yellow and pink and
green

Purple and orange and blue
I can sing a rainbow,
sing a rainbow,
sing a rainbow too.

Listen with your eyes
Listen with your ears,
and sing everything you see,
I can sing a rainbow,
sing a rainbow,
sing along with me

Trick or Treat!

We hope you have a lovely half term and the children have a safe time celebrating Halloween too. Don't forget to trick or treat with an adult!

We are so happy and pleased of how well the children have settled into Nursery life. They are all happy, enthusiastic and we can't believe they have completed a term in school already!

When we return to school after half term we would love to continue to see their confidence and independence grow by saying their goodbyes to parents/carers at the door of a morning and afternoon.

Miss Manley and Miss Daniels will be waiting with lots of stickers!

Magical Moment
