The Wizard of Oz

Book Week will be starting on Monday 2nd March - to celebrate this, the children in Reception, Y1 and Y2 will be watching a performance of **The Wizard of Oz** by M and M Productions on **Wednesday 26th February**. This is a lovely treat for the children and we are all looking forward to watching the performance.

Parentapps

After half term we are introducing a new information system called Parentapps which will be available to download on your phone. This app will enable us to reduce our paper usage and will be an effective tool to ease communication between school and home. More information will be sent home after the holiday.

They learnt how to stay safe when using the Internet through activities, stories and performing songs and raps (please see our school Twitter page) We have issued you with the latest edition of the Digital Parenting magazine produced by Vodafone. The latest issue can guide and help your family live a happy and safe digital life. We hope you find this issue useful to begin conversations and share knowledge with your family as you explore the digital world especially in the half term holidays.
