

## This Week....

This week the children received a letter from Barnaby Bear, he wanted to find the Liver Bird. We went on a Liver Bird hunt and we wrote about where we found the Liver Bird.

In our maths we have been learning all about the number 4. We have been making 4 in different ways and creating our own stories about 4.

We have also started practising for our Christmas Performance! Date for your diary:  
**Thursday 5<sup>th</sup> December at 10am.**

### Challenge:

Who raised more money?

## Reception Newsletter 15<sup>th</sup> November 2019

We have been learning all about the inventor of the telephone 'Alexander Bell'. We explored how phones have changed and we created a timeline. The children were amazed by the candle stick phone. Can you find out what type of phone your grandparents and parents had when they were little?

This week was friendship week. We learnt all about the importance of being a kind friend.

Well done to **Billie Reevell** and **Robert Crawford Jones** from class RG who have received a special Head teacher award for their super writing!

### Friend of the Week

Bluebells – Lorina Miho

Daffodils – Skye Jones

### Diary Dates

Next week is Road Safety Week

**Friday 22<sup>nd</sup>** – Own clothes day and bring chocolate eg: selection box

Magical Moment:
