

This Week.....

We have learnt all about how we have changed since being a baby. We looked at things we used when we were babies and things we can use now. A big thank you for sending in your child's baby photograph. The children have enjoyed looking at how they have changed since being a baby.

In maths, the children are really good at 2d shapes. Have a look for some 2d shapes around your home?

Thank you...

Thank you for coming to watch our Harvest Assembly. I think you will all agree, the children were amazing. We are so proud of them all!

Reception Newsletter 18th October 2019

Story of the week

Photographs...

You can send photographs to be printed of your child when they take home their class bear and please send in a baby photograph if we don't already have one.
l.photos@listerdrive-inf.liverpool.sch.uk

Yoga Bears

The children really enjoyed their last session of Yoga for this term. We met the pink bear of 'Dreams' and we learnt the bridge pose.

Easy Peasy

Well done to everyone who has played this week's Easy Peasy game. The children really enjoyed it! Don't forget to check out next week's game tomorrow!

Star of the Week

Bluebells- Kaylub Wright Potter
Daffodils- Skye Jones

Magical Moment:
