

This Week....

The children have loved using the ipad to take photographs of themselves and drawing self-portraits. We focussed on our facial features and discussing similarities and differences. This will be on display in the classroom next week.

Thank you to everybody who has returned the All About Me booklets. The children have loved sharing them with the class. If you haven't returned them please do so ASAP. Thanks.

The children really enjoyed their second week of 'Yoga Bears'. This week we met the friendship bear and we learnt the butterfly pose!
